'933. *[Tran.sjcm'd to the 1911) November,* 1988.]

Fonds for implementation of the NCR plan

934. SHRI K. V. THANGKABALU: Will the Minister of URBAN DEVELOPMENT be pleased to state:

a) the funds provided during the cur-vear for the implementation of the National Capital Region (NCR) plan and allocation, state-wise;

he progress made so far in the implementation of the National Capital Re-' gion Plan in its various spheres; and

u nether any mentoring of the execution of the Plan and proper utilisation of the funds earmarked in this behalf is being done by the Union Government?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI DALBIR SINGH): (a) and (b) During the current year, a sum of Rs. 792/-lakhs have been provided in the Central Pbio for implementation of Selected ScVie-incs in the NCR. The State-wise allocation is made by the NCR Planning Board depending on the assessed requirements of the participating States.

(c) The monitoring of the execution of the Plan and proper utilisation of the funds earmarked in his behalf is being done by the NCR Planning Board, which is chaired by the Union Urban Development Minister and has representatives of participating States and concerned Union Ministries as members.

Problems faced by the Electric Arc Furnaces

.935. SHRI SHANKER SINH VAGHELA: Will the Minister of STEEL AND MINES be pleased to state:

(a) whether Governments altcution has been drawn to the problems being faced by the Electric Arc Furnaces and Reiolling mills; if so, what are the details thereof; and b)-the steps taken about each problem and with what results?

THE MINISTER OF STEEL AND MINES (SHRI MAKHAN LAL FOTE-• DAR): (a) The viab'lity of some mini steel "plants in the country during the last few years has been affected due to their technological obsolescence; Mini Steel Plants have also represented regarding s'nortage of power and high prices of other inputs. It has been reported that Rerciliug Mills are facing some shortage of input materials.

(b) In order to enable the units to become-technologically efficient and. more viable, Government have decided to. allow expansion of mini steel plants which undertake modernisation. Government have also reduced the custom duty on impoited scrap by 5 per cent ad valorem with effect from 4th December, 1986. Indigenous availability, of rerollable material is not adequate to meet the full requirements of the re-rolling industry. In order to meet the overall demand, provisions have been made to import billets in the current year. The rerollers should meet their partial requirements through imports.
